# OUR OFFERINGS

1

## GOAL FINDER PROGRAM

This is the perfect program for students in Grade 8 and above, as it helps them with subject selection in school and career path identification for higher studies, based on their interests and personalities.

SCAN ME

SCAN ME

## DREAM FINDER PROGRAM

We offer a program for working and on-break professionals who want to restart or grow their careers. It helps them identify gaps and plan for their next career move.

2

3

## CANDIDATE INSIGHTS PROGRAM

A specialized program designed to help identify the most suitable candidates to hire as per role requirements and also to understand the priorities and training needs of existing employees.
